# Join us at Duplex World 2024!

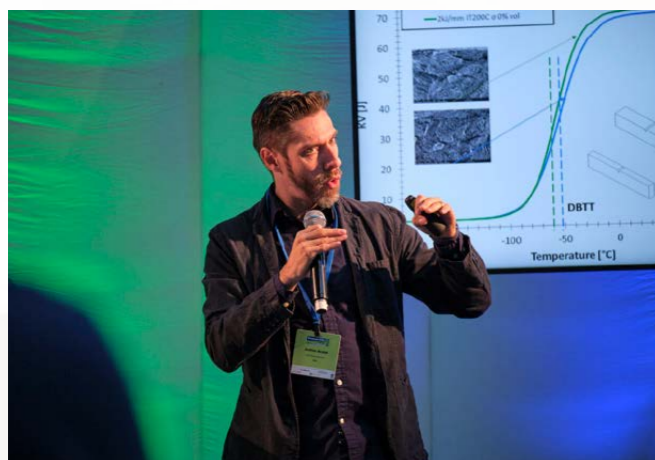

**Duplex World is the leading knowledge, networking and business event for the global duplex community. Share your knowledge and experience and build your network!**

Duplex World unites materials researchers, manufacturers, end-users and suppliers in an open and focused forum. It is the world's premier event for duplex stainless steel, offering a highly focused niche gathering covering the entire supply chain.

## CALL FOR PAPERS – HOW CAN YOU TAKE PART?

Join the conversation by giving a presentation or taking part in a discussion-based workshop.

### 1 PRESENT A TECHNICAL PAPER

If you would like to give a technical presentation, please submit a 300-500 word abstract outlining the topic and content of your material for consideration by the Steering Committee **by 23 February 2024**. Note that on acceptance, speakers are only required to prepare a PowerPoint for their presentation: full papers are not required.

### 2 JOIN A DISCUSSION-BASED WORKSHOP

If you'd rather not give a technical presentation, a workshop is ideal for an informal discussion of a for example a case study or practical example of duplex use or theme. Headed by an expert Moderator, the theme is explored with discussions supported by speakers who share a few PowerPoint slides then invite questions from the audience. To join a workshop, please submit an outline of your topic **by 23 February 2024**

*"I am pleased to invite you to the upcoming Duplex World Conference & Expo 2024, on 6 & 7 November 2024 in Rotterdam, the Netherlands.*

*The Duplex World Conference is an excellent opportunity to bring together experts, researchers, and industry professionals from around the world to exchange knowledge, share insights, and discuss the latest developments in the field of duplex stainless steel. This event will provide a unique platform for networking and collaboration, fostering innovation and addressing the challenges facing the stainless steel industry as well as end users today."*

Conference Chairman  
 Dipl.-Ing. Dr. Yassar GHANIMI

Head of R&D Services,  
 Group Quality and  
 Safety Management,  
 ANDRITZ AG

### SUGGESTED PRESENTATION TOPICS

Duplex World conference aims to cover the specification, manufacture and use of duplex stainless steels in a wide variety of applications and industries. Possible topics include, but are not limited to, the following:

- Architecture, building, construction, infrastructure
- Additive manufacturing & welding
- Carbon Capture Utilisation & Storage
- Case studies
- Casing & forging
- Chemical & petrochemical
- Cladding & overlay
- Desalination, water handling
- Energy transition
- End-user requirements
- Heat treatment
- Improving quality & avoiding failures
- Innovations, new grades & applications
- Lean, super & hyper duplexes
- Oil & gas
- Renewable energies
- Subsea & marine applications

**Showcase your company @ Duplex World 2024. Duplex World exhibition is the ideal platform to promote your company's products and services!**

### EXHIBITION STANDS

Stands are a full commercial opportunity to allow your company to benefit from the attention from the engineers, procurement managers, decision makers of the industry gathered together, and facilitates direct B2B activity.

Row stand: € 300 / m<sup>2</sup> Corner stand: € 375 / m<sup>2</sup>

### NETWORKING LOUNGES

Lounges provide an opportunity for companies to network directly with clients and peers in an informal setting – ideal for discussions.

Lounge: € 5,900,-

### IMPORTANT DATES:

- ➔ **ABSTRACT DEADLINE: 23 February 2024**
